Jane – thanks, I made some of the edits you suggest, except those in conflict with Gretchen’s changes and per Nancy’s follow-up. I am routing you the letter with the folder and background, including chronology of our correspondence with Mr. Davis. WTR3, ORC and Woo have concurred. You should have already found it on your chair!

Call with any concerns, Thanks, Tina

Without having seen the incoming, my suggested edits and a comment are included in track changes. I gave Debbie Jordan a heads up and she indicated she’ll call after she reads it if she has questions.

Jane and Nancy – the attached draft response is currently awaiting Gretchen’s review. However, given the deadline for this response is tomorrow, and Jared’s signature is required, I wanted to send you the current draft for any input you may have. Please advise on process for routing for RA signature once you and ORC have reviewed.

Thanks, Tina
